The following will be addressed in the training: The current law requiring training; how to apply for your Home Care license; home care licensure rule review; overview of pertinent laws; sample policies and forms. There is a test you will need to take at the end of the class; the test results, along with your name, are then e-mailed into Azzie Conley at the DHSR. A certificate of completion will be provided to each agency that completes the class. **Please be sure you meet these minimum Qualifications needed to apply for a Home Care License before registering for the class.
